CHORUS
(to the tune of the Cornell University alma mater)

High above Cayuga's waters...

...there's an awful smell!
Some say it's Cayuga's waters,
We say it's Cornell!

...through the gates of hell,
Twenty thousand sons of bitches
Call themselves Cornell!

As the pucks go flying past him,
Blame his ADD!

...some poor bastard fell!
Finals make him think of gorges!
Jump for joy, Cornell!

...arena staff is swell!
Mrs. Tansey got ejected,
Standing at Cornell!

...in a dank stairwell,
Lives Sam Palmer's bastard child
Conceived at Cornell!

...the trek was long as hell!
Schalago's crying in the bathroom,
Plastered at Cornell!

CHORUS
(to the tune of *O Christmas Tree*)

We like it here, we like it here! Oh, fucking HEY, we like it here!

The weather here is really nice!

Still, I get fucked on every test!

At Riverside, it doesn't suck!
But you may need a fire truck!
